

# Revenue Stream Breakdown Template for Profit Categories

Period: January 1, 2024 – March 31, 2024

Prepared by: Finance Department

Profit Category	Revenue Stream	Description	Amount (USD)	Percentage of Total
Product Sales	Online Store	Sales from e-commerce website	120,000	48%
	Retail Stores	Physical store sales	48,000	19%
Service Income	Consulting	Business consulting services	32,000	13%
	Support Services	After-sales support packages	15,000	6%
Other Revenues	Affiliate Income	Commission from third-party sales	35,000	14%
<b>Total Revenue</b>			<b>250,000</b>	<b>100%</b>

## Important Notes

- List each revenue stream under its respective profit category for transparency.
- Percentages should always add up to 100% for clarity.
- Description column helps in understanding the nature of each revenue stream.
- Regular updates are recommended as business activities evolve.
- Accurate breakdown supports sound financial analysis and planning.
