## Statement

I, John Benjamin Smith, make the following statement of my own knowledge and belief, except where otherwise stated.

On March 21, 2024, at approximately 10:15 AM, I was walking northbound on Oak Avenue near the intersection with Maple Street. I observed a blue sedan traveling at high speed from the east. The vehicle failed to stop at the red light and collided with a white van in the intersection.

After the collision, I approached both vehicles to check if the occupants needed immediate assistance. I called emergency services at 10:17 AM from my mobile phone and remained on the scene until the police and paramedics arrived.
