

# Appendices and Supporting Documents

## Loss Assessment Report

This section contains a compilation of appendices and supporting documents, which provide corroborative evidence for the findings and conclusions presented in the Loss Assessment Report.

### Appendix A: Photographic Evidence

- Pre-incident photographs
- Post-incident photographs with notations
- Site map and location markers

### Appendix B: Inventory List / Damaged Items

Item Description	Quantity	Estimated Value	Remarks
Example: Laptop - Brand XYZ	2	\$2,000	Completely damaged
Example: Furniture - Office Desk	5	\$1,500	Partial damage

### Appendix C: Relevant Correspondence

- Emails between involved parties
- Official notifications (e.g., police, insurance)
- Third-party communications

### Appendix D: Expert and Technical Reports

- Structural engineer’s assessment
- Fire or safety investigation reports
- Valuation certificates

### Appendix E: Financial Documents

- Invoices/receipts for repairs or replacements
- Insurance policy copies
- Bank statements (where applicable)

### Appendix F: Witness Statements

- Signed declarations from witnesses
- Contact details for verification

---

### Important Notes:

- Attach originals or clear, legible copies of all supporting documents.
- Ensure that confidential or sensitive information is appropriately redacted if required.
- Organize all appendices in the order referenced within the main report.
- Double-check correspondence and reports for factual consistency.
- Keep a backup of all supporting documents submitted with the loss assessment.
