Subject:

Request for Refund Due to Loss Incidence

Dear Sir/Madam,

I am writing on behalf of ABC Enterprises to formally request a refund pertaining to the losses incurred as a result of the recent incident involving the damaged goods delivered to our facility on May 30, 2024. The shipment referenced under Invoice #45321 includes 20 units of product Z, 14 of which were found damaged and unusable upon arrival.

The damage was immediately documented, and photographs were provided to your delivery personnel at the time of receipt. As per our agreement and your stated policy, we are eligible for a full refund for items lost or damaged in transit for reasons outside of our control.

Therefore, we kindly request a refund in the amount of \$1,400 corresponding to the value of the affected goods. Attached are copies of the invoice, delivery receipt, and photographic evidence for your reference.

We appreciate your prompt attention to this matter and look forward to resolving it at your earliest convenience. Should you require any further information, please contact me directly at (555) 123-4567 or [john.smith@abcenterprises.com](mailto:john.smith@abcenterprises.com).

Sincerely,

John Smith  
Operations Manager
