### Subject: Certificate of Loss of Goods-in-Transit

This is to certify that the following consignment, dispatched on 8 June 2024 from XYZ Manufacturing Pvt. Ltd. to Global Mart Ltd., suffered a loss during transit under our custody.

Based on our investigation, the loss occurred on 10 June 2024 between Metro City and River Town due to an accident involving vehicle MH12 AB 7890. The following goods were reported lost:

- 10 units of Model XTV Plasma TVs
- 6 units of Model YSM Smart Refrigerators

All supporting documents, including transporter's log, police report (No. RC12345), and inspection findings, are attached herewith. This certificate is issued upon the request of the consignor for insurance and claim procedures.

### Important Notes:

- This certificate is issued solely for the purpose of substantiating goods-in-transit loss claims.
- All particulars mentioned above are based on available documents and information as of the issue date.
- This document does not constitute admission of liability.
- Supporting evidence and police reports should accompany the claim.
- Loss must be reported by the insured party immediately upon discovery.
