## Comments & Recommendations

Repairs are recommended for all affected areas. Submit invoices to expedite reimbursement. Further inspections may be required if hidden damage is found during repairs.

## Important Notes

- This document summarizes the preliminary findings and estimated settlement of the claim.
- The payable amount is subject to policy coverage and the insured's compliance with policy conditions.
- Keep all records, receipts, and invoices related to repairs for future reference.
- If additional damages are discovered, inform your adjuster immediately to reopen assessment.
