PAGE 2 PREVIEW - EMBEDDED JPEG

* This page illustrates how a second page of a multi-page JPEG invoice might appear.

PAGE 3 PREVIEW - EMBEDDED JPEG

IMPORTANT NOTES ABOUT MULTI-PAGE JPEG INVOICE FILES

- Each invoice page is stored as a separate JPEG image file.
- Multi-page invoices require all image files to be kept together for a complete document.
- JPEG format is lossy. Repeated editing and resaving may degrade quality.
- JPEG invoices are suitable for archiving scans, but are not text-searchable unless OCR is applied.
- Ensure page order is maintained (commonly by sequential filenames).
