## Important Notes

- This form is a projection and should be based on the best estimated annual values available at the time of submission.
- Supporting documents for income and deductions may be requested for verification.
- Final tax calculation may vary and will be determined at year-end based on actual income and deductions.
- Submitting false information may result in penalties or legal actions as per applicable laws.
- Consult the tax department or a professional advisor for any uncertainties related to your tax projection.
