Training	40,000	40,000	28,000	0	--
Contingency	20,000	10,000	2,000	-10,000	Reduced requirement
<b>Total</b>	<b>1,505,000</b>	<b>1,540,000</b>	<b>1,092,000</b>	<b>+35,000</b>	

## 2. Summary:

The revised budget for FY 2024 reflects adjustments based on actual expenditures incurred and anticipated requirements for the remaining financial year. Key changes include an increase in the salaries and travel allocation, while office supplies and contingency provisions have been reduced based on performance and needs assessment.

## 3. Important Notes:

- Comparative statements provide clarity on variances between original, revised, and actual expenses.
- This document supports transparency and informed decision-making in financial planning.
- All changes must be justified with proper remarks for future reference and audit purposes.
- Regular review helps in optimal allocation and efficient utilization of organizational funds.
