

Sample: Photograph & Signature Placement in PAN Application

Applicant's Photograph & Signature Placement

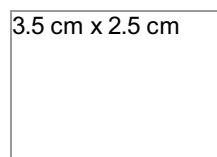

Paste Recent Passport Size Photograph (DO NOT STAPLE)

Signature within Box

(For left side of the form)

Paste Recent Passport Size Photograph (DO NOT STAPLE)

Signature within Box

(For right side of the form)

Important Notes:

- Photograph must be of good quality, recent, and unmounted.
- Sign strictly within the prescribed box; signature must not overlap photograph.
- Only black or blue ink for signatures is allowed.
- Do not use stapler or pin on photographs or signature boxes.
- Incomplete or incorrect placement may lead to rejection of the application.
