## Important Notes:

- Form 16 is a certificate provided by the employer showing details of salary paid and tax deducted during the financial year.
- This document is essential for filing Income Tax Returns by salaried employees.
- Employees should verify the PAN, salary details, and TDS amounts mentioned in this form.
- Form 16 is issued annually, after the end of the financial year.
- If the employee worked with more than one employer, each employer will issue separate Form 16.
