2024-06-06 11:59:22	U1055	sara.lim	Change Password	User Profile	192.168.1.34	Success

Important Notes

- This report is generated to ensure transparency and accountability in user actions within the system.
- All activities are time-stamped and mapped to unique user IDs to maintain an auditable trail.
- Regular review of audit trails helps detect unauthorized or suspicious activities promptly.
- Retention of such audit logs must comply with internal policies and relevant regulations.
- Unauthorized access or tampering with audit logs is strictly prohibited and subject to disciplinary action.
