Additional Comments / Observations

- Permanent file reviewed and updated for any structural or policy changes.
- No significant changes in organizational structure since last year.
- Lease agreements extended; updated copies included.

Important Notes:

- This record provides cumulative, enduring evidence relevant across multiple audit periods.
- Documents in the permanent file should be reviewed annually for continued relevance or need for updates.
- Helps in understanding the client's background and key controls for efficient future audits.
- Permanent file should be securely maintained and restricted to authorized personnel only.
