## Explanatory Notes

Variance	Explanation
Office Supplies	Unexpected increase in printer cartridge costs due to higher printing volume.
Travel Expenses	No on-site meetings held this month, resulting in cost savings.

### Important Notes:

- This document is meant for internal audit and management review purposes only.
- Variances should be investigated and explained to ensure transparency and accountability.
- All supporting documents and receipts must be retained for audit verification.
- Review and approval from the relevant personnel is mandatory before final submission.
- Regular budget monitoring helps in timely identification of financial discrepancies.
