2024-06-10	Payment to Vendor	PAY007	300.00		990.00

## Important Notes:

- Use ISO date format (YYYY-MM-DD) for consistency.
- Enter positive amounts only; leave Debit or Credit blank where not applicable.
- Balance should be calculated after each transaction row.
- Description and Reference fields help in tracking the details of each entry.
- Do not leave blank rows in the CSV file.
