IMPORTANT NOTES

- This report reflects the account's ledger balance as at the specified statutory closing date, after considering all cleared transactions up to that time.
- Any pending or uncleared transactions are not included in the closing ledger balance.
- This document may be required for statutory audits or regulatory submissions as evidence of financial position.
- Please verify all entries for accuracy before using this report for official purposes.
- For any discrepancies or clarifications, contact the issuing bank or reporting authority immediately.
