World Health Organization. (2022, June 17). Mental health fact sheet. <https://www.who.int/news-room/fact-sheets/detail/mental-health-strengthening-our-response>

Important Notes:

- Ensure consistency in the citation style throughout your document.
- Double-check author names and publication years for accuracy.
- Always include a reference for every in-text citation.
- Italicize journal and book titles as required by the citation style.
- Follow the latest edition guidelines of the citation style you are using (e.g., APA 7th edition).
