

# Legal Feasibility Report

**Date:** [Insert Date]

**Prepared By:** [Name & Designation]

**Project/Proposal:** [Project/Proposal Name]

**Client/Organization:** [Client Name]

---

## 1. Introduction

This Legal Feasibility Report evaluates the legal aspects of the proposed project to determine the likelihood of compliance with applicable laws, regulations, and contractual obligations.

## 2. Objective

To assess and identify the legal requirements, risks, and feasibility of proceeding with the proposed project.

## 3. Scope of the Report

- Regulatory compliance analysis
- Review of relevant laws and statutes
- Assessment of required permits/licences
- Identification of legal risks
- Review of contractual obligations

## 4. Legal Framework and Compliance

**Relevant Laws:** [List applicable laws or acts here]

**Permits/Licenses:** [List required permits/licenses]

**Regulatory Authorities:** [List governing/regulatory bodies]

## 5. Legal Risks and Mitigation

- [Risk 1: Description and mitigation measure]
- [Risk 2: Description and mitigation measure]
- [Risk 3: Description and mitigation measure]

## 6. Contractual and Statutory Obligations

**Existing Contracts:** [Briefly summarize relevant existing contracts, if any]

**Legal Restrictions:** [Highlight any statutory restrictions]

## 7. Findings & Recommendations

[Summary of key findings, risks, and whether it is legally feasible to proceed. Provide brief recommendations based on the analysis above.]

## 8. Conclusion

[State the overall legal feasibility and provide a closing statement.]

---

## Important Notes

- This report is based on current laws and regulations as of the date specified.
- Legal opinions herein are subject to change if governing laws or facts change.
- It is recommended to seek updated legal consultation prior to major project milestones.
- The report does not constitute a full legal due diligence or guarantee project approval by authorities.
- Consult relevant experts for non-legal (e.g., financial, technical) feasibility analysis.
