Important Notes

- Use the corporate author as the reference entry's author; do not abbreviate names.
- If the publisher is the same as the author, repeat the name.
- Italicize the report title.
- Include a report number in parentheses after the title, if provided.
- Add the URL if the report is accessible online.
- When citing in-text, use the corporate author and year (e.g., World Health Organization, 2021).
