

# Visual Progress Data Presentation

**Project Name:** New Product Launch

**Prepared by:** Jane Doe

**Date:** 2024-06-25

**Status Period:** June 2024

**Reporting To:** Project Director

## Overall Progress

Completed: 68% Target: 100%

## Key Milestones

Milestone	Planned Date	Actual Date	Status
Market Research Completed	2024-04-15	2024-04-12	Done
Concept Validation	2024-05-05	2024-05-09	Done
Prototype Build	2024-06-10	In Progress	On Track
Go-to-Market Plan	2024-07-01	-	Upcoming

## Summary

The project has reached **68%** completion. The main focus for the next period is on finalizing the prototype and preparing the Go-to-Market strategy. No major risks reported; the team is on track with the current timeline.

### Important Notes about Visual Progress Data Presentation:

- Allows stakeholders to quickly assess project status and key metrics.
- Combines quantitative and qualitative data for comprehensive understanding.
- Helps identify bottlenecks and critical milestones at a glance.
- Effective for executive reporting and periodic updates.
- Keeps the data visually accessible and minimizes misinterpretation.
