## Important Notes:

- The title page is the first page of your research report and should be centered both vertically and horizontally.
- Include the full title, subtitle (if any), your name, student ID, department, institution, and date of submission.
- Do not add any page number or extra graphics on the title page.
- Double-check the specific formatting guidelines required by your institution or professor.
- Keep the layout clear, professional, and free of unnecessary details.
