# Resource Availability Calendar

## Project: Website Redesign
## Month: June 2024

| Resource Name | Role | Week 1 (3-9) | Week 2 (10-16) | Week 3 (17-23) | Week 4 (24-30) |
|---|---|---|---|---|---|
| Alice Johnson | Project Manager | 100% | 100% | 80% | 70% |
| Bob Lee | UI Designer | 80% | 80% | 60% | 60% |
| Sara Wong | Frontend Developer | 100% | 100% | 100% | 80% |
| Martin Smith | Backend Developer | 90% | 90% | 90% | 60% |
| Linda Perez | QA Tester | 0% | 30% | 80% | 100% |

## Important Notes:

- Resource availability percentages reflect capacity dedicated to this project only.
- This calendar should be updated regularly to reflect changes in team scheduling.
- Unavailability due to leave or other commitments should be clearly communicated.
- Helps avoid resource conflicts and ensures better project planning.
- Consult individual resource calendars for more granular daily availability.
