

# Resource Demand vs. Supply Chart

June 2024

## Resource

### Supply

### Demand

Developer

7 FTE Available

9 FTE Needed

QA Engineer

4 FTE Available

3 FTE Needed

UI/UX Designer

2 FTE Available

3 FTE Needed

Project Manager

2 FTE Available

2 FTE Needed

- Ensure demand and supply data are regularly updated for accuracy.
- This chart helps identify resource gaps and allocate accordingly.
- Consider future project pipelines when projecting demand and supply.
- FTE = Full-Time Equivalent; adjust numbers for part-time resources as needed.
- Review regularly with stakeholders for efficient planning.
