## Declaration

We declare that this invoice shows the actual price of the goods and that all particulars are true and correct.

## Important Notes

- This invoice is generated according to GST rules; all required fields (GSTIN, HSN/SAC, tax breakup) are included.
- Asset invoices should mention correct asset description and HSN/SAC codes for compliance.
- Both supplier and recipient must retain copies for GST input credit and audit purposes.
- Payment to be made as per due date above, else late fees may apply.
- Goods once sold will be returned only as per company asset return policy.
