## Important Notes:

- This form is for digital asset warranty claims only; all fields must be accurately completed.
- Supporting documents (such as proof of purchase and asset ID) may be mandatory for processing your claim.

- Submitting this form does not guarantee approval; all claims are subject to verification and the terms of the warranty.
- False or misleading information may lead to claim denial and potential legal action.
- Keep a copy of this completed form and all submitted documents for your own records.
