

Limited Product Warranty and Liability Disclaimer

1. Limited Warranty

This product is warranted to be free from defects in materials and workmanship under normal use for a period of one (1) year from the date of original purchase. During the warranty period, if the product proves defective in material or workmanship, the manufacturer will repair or replace the product, at its sole discretion, free of charge.

2. Exclusions

This warranty does not cover damage or defects resulting from misuse, improper installation, neglect, unauthorized repair, modification, accident, or normal wear and tear. Consumable parts are not covered under this warranty.

3. Warranty Claim Process

To make a warranty claim, the original purchaser must contact customer support and provide proof of purchase, product serial number, and a detailed description of the issue. The manufacturer reserves the right to require the return of the product for inspection.

4. Limitation of Liability

To the fullest extent permitted by law, the manufacturer shall not be liable for any indirect, incidental, special, or consequential damages arising out of or related to the use or inability to use the product, even if advised of the possibility of such damages. The manufacturer's total liability shall not exceed the original purchase price of the product.

5. Disclaimer

Except for the limited warranty expressly set forth above, the product is provided "as is" and the manufacturer disclaims all other warranties, express or implied, including but not limited to any implied warranty of merchantability or fitness for a particular purpose.

IMPORTANT NOTES

- This document is a sample and may need to be customized to fit specific product types or jurisdictions.
- Consult a legal professional to ensure compliance with local laws and regulations.
- Warranty terms and limitations must be clearly communicated to the customer at the time of sale.
- Keep accurate records of purchase dates and customer communications for warranty purposes.
- Exclusions and limitations should be detailed to avoid misunderstandings or legal disputes.
