

# Manufacturer™s Product Responsibility Disclaimer

This document serves as a disclaimer regarding the responsibilities and liabilities of the Manufacturer (â€œthe Companyâ€) to the user or purchaser (â€œthe Customerâ€) of the product specified herein.

## 1. Product Limitations

The Company manufactures the product according to applicable quality standards. However, performance of the product depends on usage, installation, maintenance, and external factors outside the Companyâ€™s control.

## 2. No Warranties Beyond Stated

Except as expressly stated in product documentation, the Company disclaims all warranties, whether express or implied, including but not limited to fitness for a particular purpose or merchantability.

## 3. Limitation of Liability

In no event shall the Company be liable for any direct, indirect, special, incidental or consequential damages arising out of or related to the use or inability to use the product, even if advised of the possibility of such damages.

## 4. Customer Responsibility

The Customer is solely responsible for determining the suitability of the product for their intended use and assumes all risks associated with that use, including but not limited to compliance with local laws, regulations, and safety standards.

## 5. Modifications

Any modifications to the product or improper installation or misuse void any express or implied warranties and relieves the Company from all liability.

## Important Notes:

- This disclaimer should be reviewed by legal experts for local compliance.
- Always clearly define terms of liability and warranty in product documentation.
- Transparency with customers regarding product limitations can help prevent disputes.
- Keep disclaimers concise, clear, and accessible to all end-users.
