

# Product Use and Safety Disclaimer

Please read this Product Use and Safety Disclaimer (“Disclaimer”) carefully before using any products (“Products”) provided by [Your Company Name] (“Company”). By purchasing, using, or allowing others to use the Products, you acknowledge and agree to this Disclaimer.

## Intended Use

The Products are designed for their intended use and specifications only. Any use of the Products outside of their intended purpose is at the user’s own risk. Refer to all instruction manuals, product guides, and labels before use.

## Safety Precautions

Users are responsible for reading and following all safety instructions associated with the Products. Failure to do so may result in personal injury, property damage, or malfunction of the Products. Always supervise use by children or inexperienced users.

## No Liability

To the maximum extent permitted by law, the Company disclaims any liability for damages, injuries, losses, or claims arising from the misuse, abuse, or unauthorized modification of the Products. The user assumes all risks associated with the operation and handling of the Products.

## No Warranty for Unintended Use

The Company provides no warranty for damages, direct or indirect, resulting from the use of the Products in any manner not expressly recommended by the Company. Any alterations or modifications void all warranties and disclaimers.

## Consultation and Support

If you are uncertain about the correct usage of any Product, please contact our customer support or consult with a qualified professional prior to use.

## Important Notes:

- This document provides general guidance and may not cover all possible situations or uses.
- Customizing disclaimers for each specific product is recommended for legal protection.
- A disclaimer does not replace adherence to applicable safety laws and regulations.
- Clear disclaimers can help limit liability and manage customer expectations.
