Insurance Policy Number Format

Format Structure

The insurance policy number is a unique identifier assigned to an individual insurance policy. Its format may vary based on the insurance company and product type. Below is a common sample structure:

```
ABC-2024-12345678-XX
```

- **ABC** — Company/Product Code (letters)
- **2024** — Year of Issue (digits)
- **12345678** — Sequential Policy Number (digits)
- **XX** — Suffix/Check digits (letters or numbers)

Example Policy Numbers

- INS-2023-00567891-A1
- HCL-2021-11223344-ZZ
- MED-2022-25987463-B5

Important Notes

- Always check the accuracy of the policy number when completing insurance documents or making claims.
- The format can differ between insurers and policy types. Refer to your insurer's documentation for specifics.
- Your policy number is confidential and should be shared only with authorized personnel.
- If you lose your policy number, contact your insurance provider for support.
