Date: [01/06/2024]

Official Stamp (if applicable):

- This certificate serves as legal proof of active third-party insurance for the vehicle listed above.
- Third-party insurance covers damages to other parties and their property but does not cover damage to your own vehicle.
- Carry this document while operating the vehicle, as required by law enforcement and regulatory authorities.
- The details on this certificate must match your vehicle registration and policy records.
- This certificate is valid only within the period specified and subject to compliance with policy terms.
