| | |
|-----------------------------|--|
| Total Income | |
| Total Expenses | |
| Balance (Income - Expenses) | |

Important Notes

- Update this document regularly to maintain accurate records of family expenses.
- Review income and spending monthly to help manage the family budget effectively.
- Keep receipts or proofs for larger or significant expenses.

- Classify "Others" for less frequent or unforeseen expense items.
- This format is a simple tool and can be adapted as per your family's specific needs.
