Important Notes:

- This statement reflects verified income based on credited transfers into the applicant's bank account for the stated period.
- All figures listed are as per bank records and include only funds verifiably received by the applicant.
- This document must be signed and sealed by an authorized bank officer to be considered valid.
- Any tampering, alteration, or misuse may render the statement void and can be subject to legal action.
- The bank is not responsible for disclosures made outside of the original intent or misuse by the applicant or third parties.
