Important Notes

- This statement is a sample income proof format for reference purposes only.
- Ensure all details (name, account number, transaction history) are accurate and correspond with official records.
- Bank statements used as income proof should be duly stamped and signed by the bank where required for authenticity.
- Some authorities may require statements for a specific recent period (e.g., last 3 or 6 months).
- Any alterations or discrepancies in the bank statement can result in rejection of the income proof.
