## Purpose of the Statement

This academic statement is submitted in support of my application for internship at [Name of Organization]. It outlines my background, academic interests, and objectives for undertaking an internship.

## Academic Background

I am currently enrolled in [University Name] pursuing a degree in [Your Major/Program]. My academic coursework and projects have enabled me to develop foundational knowledge and skills in [briefly mention relevant areas, e.g., software development, biology, finance, etc.]. Notable courses I have completed include [Course 1], [Course 2], and [Course 3].

## Objectives for Internship

Through this internship, I aim to:

- Gain practical experience in [related field/industry].
- Apply theoretical knowledge acquired during my studies to real-world challenges.
- Enhance my professional skills, such as teamwork, communication, and problem-solving.
- Broaden my understanding of industry standards and work environments.

## Relevance to Academic Goals

The internship at [Organization Name] directly aligns with my academic interests and career aspirations. The exposure and skills gained will contribute significantly to my academic progress and better prepare me for future professional roles.

## Declaration

I hereby declare that the information provided above is true and accurate to the best of my knowledge. I am committed to upholding the standards and expectations of my university and the organization throughout the internship period.
