

# Appendix A

## Sample Research Proposal Statement

Appendix A:

### Survey Questionnaire

The following questionnaire was administered as part of the research proposal entitled "*Impact of Online Learning on Undergraduate Students' Academic Performance*".

1. How many hours per week do you spend attending online lectures?
2. Rate your overall satisfaction with online learning (1: Very Dissatisfied, 5: Very Satisfied):
3. What challenges have you faced during online learning?
4. How do you compare your grades before and after the transition to online learning?

Appendix B:

### Research Timeline

Task	Start Date	End Date
Literature Review	01/07/2024	15/07/2024
Questionnaire Design	16/07/2024	20/07/2024
Data Collection	21/07/2024	05/08/2024
Data Analysis	06/08/2024	15/08/2024

Appendix C:

### Consent Form Sample

Please read the information below before participating in the research. Your participation is voluntary and your responses will remain confidential. You may withdraw at any time without penalty.

- I understand the purpose and procedures of the study.
- I agree to participate in the survey anonymously.
- I am aware that I can withdraw at any time.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### Important Notes:

- Each appendix should be clearly labeled (e.g., Appendix A, Appendix B) and titled.
- Appendices are referenced in the main proposal body where applicable.
- Include only relevant supplementary materials such as surveys, data tables, or consent forms.
- Use consistent formatting throughout for clarity and professionalism.
- Appendices should not contain new analyses or discussions not included in the main document.
