Signature of Witness

Declaration

I understand that this statement will be used as evidence in legal proceedings. I declare under penalty of perjury that the foregoing is true and correct.

Important Notes

- An affidavit is a legal document that must be truthful and based on the witness's personal knowledge.
- The document should be signed in the presence of an authorized officer, such as a notary public or a judicial officer.
- False statements in an affidavit may lead to legal consequences, including charges of perjury.

- Double-check all personal details and ensure the statement is clear and concise.
- This document may be submitted in court and become part of official records.
