

# Regulatory Compliance Findings Report

**Prepared For:**

ABC Corporation

**Date:**

June 10, 2024

**Prepared By:**

Jane Doe, Compliance Auditor

## 1. Executive Summary

This report summarizes findings from the regulatory compliance assessment conducted on June 1<sup>st</sup>, 2024. The objective was to identify gaps, evaluate the effectiveness of internal controls, and ensure conformity to applicable statutory and regulatory requirements.

## 2. Scope and Methodology

- Review of internal policies and procedures
- Interviews with staff and management
- Sampling and examination of compliance-related documents
- Gap analysis against regulatory standards (e.g., GDPR, HIPAA)

## 3. Key Findings

#	Area	Description	Impact	Recommendation
1	Data Privacy	User consent forms lack clear opt-out options as required by GDPR Article 7.	High	Revise consent forms to include explicit opt-out functionality.
2	Access Controls	Inactive user accounts remain enabled beyond 90 days.	Medium	Implement periodic review and prompt deactivation of dormant accounts.
3	Incident Response	No formal incident response plan documented or tested.	High	Develop and regularly test an incident response plan.

## 4. Conclusion

The assessment identified several areas for improvement in compliance with current regulatory requirements. Timely remediation of high-priority findings is recommended to reduce organizational risk and ensure ongoing compliance.

## Important Notes

- This report is confidential and intended solely for the organization's compliance leadership.
- Findings are based on evidence available at the time of assessment.

- Continuous review and updates are necessary to maintain regulatory compliance.
- This document does not serve as legal advice.
