

Process-based Compliance Audit Checklist

(Sample - Interactive Excel Format)

No.	Process Step	Compliance Requirement	Compliant (Yes/No)	Evidence/Remarks	Responsible
1	<div>Document appro</div>	<div>All documents</div>	<div><input type="checkbox"/> Yes <input type="checkbox"/> No</div>	<div>Add remarks or notes</div>	<div>John Doe</div>
2	<div>Data backup</div>	<div>Backups mus</div>	<div><input type="checkbox"/> Yes <input type="checkbox"/> No</div>	<div>Add remarks or notes</div>	<div>IT Team</div>
3	<div>Access control</div>	<div>Access rights</div>	<div><input type="checkbox"/> Yes <input type="checkbox"/> No</div>	<div>Add remarks or notes</div>	<div>HR Dept</div>
4	<div>Process step</div>	<div>Compliance re</div>	<div><input type="checkbox"/> Yes <input type="checkbox"/> No</div>	<div>Add remarks or notes</div>	<div>Responsible</div>

Important Notes:

- Each process step should be clearly defined and aligned to relevant compliance requirements.
- Regular updates and reviews are essential to maintain accuracy and relevance.
- Ensure that evidence and remarks are sufficiently detailed for audit trails.
- Responsible persons should be notified for any non-compliance actions required.
- This checklist can be exported and used in Excel for broader interactive use and record-keeping.
