Compliant

**18**

Partial Compliance

**5**

Non-Compliant

**2**

## Compliance Status Details

#	Requirement	Status	Remarks
1	Data Privacy Compliance	Compliant	All controls in place
2	Documented Policies	Partial	Review scheduled next month
3	Periodic Security Audit	Compliant	Last completed: May 2024
4	Incident Response Plan	Non-Compliant	Needs immediate update
5	Third-party Vendor Assessment	Partial	Assessments in progress

## Important Notes

- This dashboard is intended for periodic review by compliance teams and management.
- Status indicators should be updated regularly to reflect the current situation.
- Any item marked as "Non-Compliant" must be addressed with a clear action plan and timeline.
- Maintain documentation to support compliance status for all requirements.
