

Supplier Code of Conduct Declaration

This Code of Conduct Declaration affirms that the supplier acknowledges and complies with the principles and standards of responsible business practices as outlined by the purchasing organization. The undersigned supplier commits to upholding the following standards:

1. **Compliance with Laws:** Operate in compliance with all applicable local, national, and international laws and regulations.
2. **Labor and Human Rights:** Prohibit child labor, forced labor, and discrimination; foster a safe and respectful working environment.
3. **Health and Safety:** Provide a safe and hygienic workplace for all employees and contractors.
4. **Environmental Protection:** Conduct operations with care for the environment, reduce waste, and use resources responsibly.
5. **Business Ethics:** Act with integrity, avoid bribery or corruption, and maintain fair business standards.
6. **Continuous Improvement:** Cooperate with audits, assessments, and provide all necessary documentation as requested.

By signing below, the supplier declares that they have read, understood, and agree to comply with the above standards as a condition of doing business.

Important Notes:

- This declaration supports legal compliance and ethical sourcing obligations.
- Incomplete or false information may result in suspension or termination of business engagements.
- Suppliers are required to cascade these principles to their subcontractors.
- Periodic reviews or audits may be conducted to verify adherence to this Code.
