3	Data Privacy Policy (GDPR)	GDPR Article 5	2024-05-28	Compliant	Annual review completed, policy updated.	Marco Lee
4	Fire Safety Certification	Local Fire Code 1022	2024-06-01	Non-Compliant	Inspection failed, corrective action required.	Rachel Ng

## Important Notes

- This sheet serves as an official record for tracking compliance with legal requirements.
- Keep the audit trail updated regularly to ensure all legal requirements are met and documented.
- Retain supporting evidence for each entry to facilitate external and internal audits.
- Review and update responsible persons in case of departmental or personnel changes.
- Non-compliance issues must be followed up with corrective actions and tracked until resolved.
