| Total Sales Revenue | 25,000 |
| Less: Total Cost (COGS + Labor + Material) | -22,200 |
| Gross Profit | 2,800 |

Important Notes

- This sheet reflects gross profit only and does not account for operating expenses or taxes.
- Verify all figures by cross-checking with supporting invoices and ledgers.
- Update sales and cost entries monthly to maintain accuracy.
- Use gross profit as a key indicator but review net profit for overall financial health.
